Dear Resident,

We are presently living through a very worrying and difficult time and I would therefore like to take this opportunity to appeal to all of the residents of Llandudno to please follow the Government and Health Officials Guidelines and limit your family's contact with others, as far as is possible. If you do need to leave your home, to take exercise or go shopping, please follow the guidelines for the safety of yourselves and others.

It doesn't seem enough writing it, but I would like to **sincerely** thank our extremely hard-working key and frontline workers as well as all the selfless volunteers, they are all showing their resilience and going above and beyond in these challenging and unprecedented times.

There are many links on the home page of Llandudno Town Council's website with the latest news from Public Health Wales and Conwy County Borough Council Services. You will find details on how to sign up to volunteer during this critical time, please follow the link and contact any of the three options. There is also the poster for the Single Point of Contact for anybody in need or who is self-isolating, if you know of anybody please ensure that they are aware that they can call the number set up by the Local Authority to ask for any help/support they may need: 01492 575544.

Please try to stay safe and healthy and the community of Llandudno will come out of this stronger.

Best wishes,

Cllr Angela O'Grady  
Mayor of Llandudno
