### **Profile:**

Llandudno Town Council is a large community council, consisting of a Mayor and 29 other active Councillors serving a population of over 20,000 people, which can swell to a massive 60,000 during the Summer months. Residents are spread across five ward areas, namely: Craig-y-Don, Gogarth, Mostyn, Penrhyn & Tudno.

The Town Council plays a vital part in representing the local community and also organises, or involves itself, in many of the local events held in Llandudno every year (see below). It also aims to improve the local quality of life and deliver services to meet local needs.

On top of all the normal business that faces the Council, we organise many of the town's Civic Parades, Miss Alice Competition, Wales in Bloom, Britain in Bloom, Hanging Baskets, Decorative Lighting, Christmas Lighting, and we manage North Western Gardens Public Conveniences, The town's Christmas Parade plus several town twinning visits to Wormhout (our twin town in Northern France) per year.
